[REDACTED]

1. [REDACTED] At the instruction of the Director, reported to Guy McConnell (Senate Appropriations Committee), Ed Braswell (Senate Armed Services Committee), and left pending calls with Chairman Lucien Nedzi, Special Subcommittee on Intelligence, House Armed Services Committee, in connection with the security breach on Friday. Mr. Cary was going to contact Ralph Preston, House Appropriations Committee staff.

2. [REDACTED] In response to Clark McFadden's, General Counsel, Senate Armed Services Committee, request, arranged through [REDACTED], OCI courier supervisor, for OCI to make a courier available so that McFadden may review the estimate on Soviet naval forces between the hours of 2:30 and possibly 4:00 tomorrow, Sunday.

3. [REDACTED] Called Howard J. Feldman, Chief Counsel, Permanent Subcommittee on Investigations, Senate Government Operations Committee, in connection with Senator Henry M. Jackson's (D., Wash.) letter for information on the nature and location of foreign assets by major oil exporting countries. I told him that we would have the material within a week to ten days and Feldman said that would be fine.

4. [REDACTED] In response to his request of 5 February to keep him advised of developments with respect to Select Committee investigations, called Bud McFarlane, NSC staff, and reviewed with him the developments to date. He thought it was very wise to gather together the community and I gave him the positive developments on security procedures, possible elimination of duplication and competition between the two Select Committees. McFarlane asked that we keep in touch with him from time to time as matters progress.
